Sir,

Please find attached the faculty newly recruited after the 1st biometric enrolment of our faculty.

Three Senior Residents have been promoted as Assistant Professors, whose names have been deleted as SRs may please be added to the list of faculty.

We have noticed the following difficulties with the biometry:

Previously registered faculty is sometimes being accepted and sometimes being rejected.

Out of 9 installed devices only 2 are working.

Request to look into the above matter.

Thanking you

Nodal Officer,
Gayatri Vidya Parishad Institute of Health Care & Medical Technology,
Visakhapatnam.

Pending enrollment data-GVPIHCMT,Visakhapatnam as on 20.02.2018.xlsx

Dear Sir,

Thank you for sharing the concern.

We have noted your request regarding enrollment of remaining faculties. In this regards enrollment dates will be shared soon.

Further for issues related to non -functioning of devices .

kindly register complaint at our helpDesk no:011-25362032.

Reagards,
Lochan Pandey
