Ref. No.GVPIHCMT/170606/1

Date: 6.6.2017

To
The Secretary,
Ministry of Health and Family Welfare,
NEW DELHI.

Sir,

Sub: Request for reconsideration for LoP and renewal of permission for 2017-18 to
Gayatri Vidya Parishad Institute of Health Care and Medical Technology,
Visakhapatnam – Reg.

Ref: Your Lr. Dt. 31.5.2017.

We were very much surprised and dismayed to receive your letter of rejection for LoP alongwith decision to debar admissions for two years namely 2017-18 and 2018-19 and decision to encash bank guarantee of Rs.2.00 crores even after fulfilling and complying with the deficiencies mentioned in the conditional approval by Government of India.

The GVP Institute of Health Care and Medical Technology has fulfilled all the deficiencies mentioned in the conditional approval by Government of India which is conveyed in the letter submitted to Under-Secretary, Ministry of Health and Family Welfare, GoI on dt. 4.2.2017 and also submitted at the time of personal hearing on 8.2.2017 to the Hearing Committee.

1. The MCI Assessors have not said anything about non-compliance of the points raised in 11.3.2016 inspection in the compliance inspection on 28 and 29th December, 2016 and raised fresh objections which also have been fulfilled and submitted to the hearing committee.
2. When the case is presented before the hearing committee constituted by you, it is clearly mentioned by them that the previous conditions are fulfilled and new conditions are only to be verified. It seems that DGHS recommended our college for your consideration as per news paper report.
3. OC also recommended the college for confirmation of LoP as per news paper report.

...2.,

: 2 :

The students are admitted for 2016-17 and faculty is recruited for 2017-18 for 2nd MBBS and also all the para-clinical departments and laboratories are made ready as per the norms of MCI for the first renewal. We are updating our website as per MCI norms and the data is available in the website.

At this stage the rejection of LoP and ban of admissions for two years will badly effects the Institution and the staff particularly teaching staff will lose confidence in their career opportunities which will effect standards of the Institute.

Hence I request your goodselves to reconsider your decision of denying LoP and ban on admissions for 2017-18 and 2018-19 and encashment of bank guarantee.

Thanking you Sir,

Yours faithfully,

6/6/17
